# WELCOME TO THE 3<sup>RD</sup> INTERNATIONAL HUMAN GENE THERAPY CONFERENCE 2025

We are thrilled to announce Gene Therapy Forum 2025, the sequel to the highly successful Gene Forum 2024 and 2022 conferences.

A cordial invitation is extended to you as we embark on this transformative journey. Gene Therapy Forum 2025 is a meticulously curated event designed to illuminate the panorama of gene therapy, not just in the USA, but on a global scale. Our objective is to foster collaboration among pivotal figures in gene therapy—bringing together researchers, industry leaders, and collaborators from around the world.

Gene Therapy Forum 2025 is uniquely tailored to provide actionable insights, expert guidance, peer networking, and assessments from solution providers. The experience promises to be both unforgettable and transformative, empowering you and your organization to reach new heights in addressing critical healthcare priorities. This event offers a chance to showcase innovations and connect with industry leaders, reinforcing the importance of collaboration.

The significance of gene therapy in revolutionizing medical care and addressing genetic challenges cannot be overstated. Standing at the forefront of medical innovation, gene therapy has the potential to create profound impacts globally. Despite the challenges, breakthroughs in treating genetic conditions require collaboration, shared knowledge, and collective effort.

Gene Therapy Forum 2025 will provide an exceptional platform to explore the latest advancements, engage in discussions, and share ideas. The summit will host thought-provoking sessions that foster meaningful interactions and collaborations.

## SPONSORSHIP AND EXHIBITION OPPORTUNITIES

High-level executives, pioneering researchers, and industry leaders will gather at the Gene Therapy Forum 2025 to accelerate innovation and forge impactful collaborations in the evolving field of gene therapy. The event will offer a wealth of opportunities for both structured and informal networking, enabling meaningful engagement among attendees, sponsors, and thought leaders.

Boost your organization's visibility and connect directly with key decision-makers who are driving advancements in genetic medicine. Leverage this platform to showcase your solutions, discover novel technologies, and explore strategic partnerships that could shape the future of healthcare.

Take full advantage of the networking avenues available to cultivate new business opportunities, foster cross-sector collaborations, and stay at the forefront of gene therapy innovation. Act now to position your organization at the heart of a transformative movement.

## SHOWCASE BOOTH

Industry prospectors are looking for breakthrough technologies that are ready for licensing, corporate partnering, or investment opportunities. Showcase your innovative solutions and prototypes through demonstration and display with our showcase booths.

## MARKETING AND PROMOTIONAL OPPORTUNITIES

Gene Therapy Forum 2025 offers various marketing and promotional opportunities for corporate companies. MPOs are an effective way to raise your company's visibility, effectively get your message and brand out to a targeted audience, generate more sales opportunities, and increase the event's ROI. History has shown that companies that utilize MPOs generate more booth traffic, more sales leads, and an overall higher level of satisfaction than companies that do not take advantage of these opportunities.

We are offering MPOs the opportunity to sponsor the following events:

- Name badges and lanyards
- Recharge Kiosk
- Media Lounge
- Water Stations
- Safety and Hygiene
- Bag Inserts
